

2009 GENERAL DOLLAR VOLUME RATES

The Seattle Times Company is the Northwest leader in market reach and penetration. Our print and online media network delivers news and information to nearly half of Western Washington adults. Our network includes The Seattle Times newspaper and its Web site, as well as our online marketplace sites — NWsource.com, NWjobs.com, NWautos.com and NWhomes.com.

The General (National) rates are our primary advertising rates. Contracts must be signed in advance of publication to receive discounts. Open rates apply unless a contract is signed.

- The rates below apply to six-column and Pacific Northwest magazine advertising. Separate contracts may be required to earn discounts on other products.
- A 15% commission will be granted to all recognized advertising agencies, except where noted.
- All net advertising dollars spent in a 12-month period with The Seattle Times Company will apply toward the fulfillment of the advertiser contract except postage costs for direct mail advertising, legal and late payment fees, and where otherwise noted.
- A 25% premium for ROP advertising will be charged on Thanksgiving Day.
